INSTRUCTIONS FOR STP

STP is a combination of systematic withdrawal from one scheme and systematic investment into another scheme. Therefore the minimum amount of withdrawals applicable under SWP would be applicable to STP also. Similarly the minimum investment applicable for each scheme under SIP would be applicable to STP also. STP facility would allow investors to transfer a predetermined amount from one scheme of the Mutual Fund to the other. The transfer would be processed on any business day as decided by the investor at the time of opting for this facility.

General terms and conditions for STP, Flex STP and CASTP

- 1. Exit load shall be as applicable for all transfers in the target/source schemes.
- 2. The enrolment / termination request should be submitted, at least 10 days prior to the desired commencement / termination date.
- 3. Default options:
 - Between Regular STP, Flex STP and CASTP Regular STP
 - Between daily, weekly, monthly & quarterly frequency monthly frequency
 - Default date for monthly and quarterly frequency 10th
- In case the date of transfer falls on a Non-Business Day, then the immediate following Business Day will be considered for the purpose of transfer.
- In case start date is mentioned but end date is not mentioned, the application will be registered for perpetual period.
- 6. Weekly transfer will be done on 1st, 8th, 15th & 22nd of the month.

Terms and conditions of monthly & quarterly STP:

- 1. STP would be permitted for a minimum period of six months between two schemes.
- 2. Investor can transfer the amount from the switch-out scheme, subject to a minimum transfer of Rs.1000 and in multiples of Rs. 1 thereafter per month for 6 months, Rs. 500 and in multiples of Rs. 1 thereafter per month for 12 months and Rs. 1500 and in multiples of Rs. 1 thereafter per quarter for one year for other equity schemes, without any restriction on maintaining the minimum balance requirement as stipulated for the switch out scheme.

Terms and conditions of daily & weekly STP:

- Under this facility, investor can transfer a predetermined amount from one scheme (source scheme) to the other scheme (target scheme) on daily / weekly basis.
- Currently, this facility is available through SBI Magnum InstaCash Fund (Cash & Dividend Plan), SBI Magnum Instacash Fund – Liquid Floater Plan, SBI Premier Liquid Fund, SBI Ultra Short Term Debt Fund, SBI Short Term Debt Fund & SBI Savings Fund (source Scheme) (Source Scheme).

- 5. Minimum number of instalments will be 12 for daily STP & 6 for weekly STP.

Flex Systematic Transfer Plan (Flex STP):

Flex Systematic Transfer Plan is a facility wherein an investor under a designated open-ended scheme can opt to transfer variable amounts linked to the value of his investments on the date of transfer at pre-determined intervals from designated open-ended scheme (source scheme) to the Growth option of another open-ended scheme (target scheme).

Terms and conditions of Flex STP:

1. The amount to be transferred under Flex STP from source scheme to target scheme shall be calculated using the below formula:

Flex STP amount = [(fixed amount to be transferred per instalment x number of instalments already executed, including the current instalment) market value of the investments through Flex STP in the transferee scheme on the date of transfer]

2. The first Flex STP instalment will be processed for the fixed instalment amount specified by the investor at the time of enrolment. From the second Flex STP instalment onwards, the transfer amount shall be computed as per formula stated above.

- 3. Flex STP is available for Monthly and Quarterly frequencies.
- 4. Flex STP is available only in "Growth" option of the target scheme.
- 5. If there is any other financial transaction (purchase, redemption or switch) processed in the target scheme during the tenure of Flex STP, the Flex STP will be processed as normal STP for rest of the instalments for the fixed amount.
- 6. A single Flex STP enrolment form can be filled for transfer into one scheme/ plan/ option only.
- 7. In case the amount (as per the formula) to be transferred is not available in the source scheme in the investor's folio, the residual amount will be transferred to the target scheme and Flex STP will be closed.
- 8. All other terms & conditions of Systematic Transfer Plan are also applicable to Flex STP.

Capital Appreciation Systematic Transfer Plan (CASTP):

CASTP is a facility wherein an investor can opt to transfer the entire capital appreciation linked to the value of his investments on the date of transfer at pre-determined intervals from designated open-ended scheme (source scheme) to another open-ended scheme (target scheme).

Terms & conditions for Capital Appreciation Systematic Transfer Plan (CASTP):

- 1. Investor can avail this facility by submitting the request to transfer entire capital appreciation, subject to minimum of Rs. 100 on any business day.
- Source scheme: This facility is available only under Growth option of all open ended schemes [except Equity Linked Savings Scheme & Exchange Traded Funds (ETFs)] of SBI Mutual Fund.
- 3. Target scheme: All open ended schemes except ETFs and daily dividend option.
- 4. The facility is available for weekly, monthly & quarterly frequencies.
- 5. Minimum number of instalments will be 6 for weekly and monthly frequencies and 4 for quarterly frequency.
- 6. Capital appreciation, if any, will be calculated from the enrollement date of the CASTP, till the first transfer date. Subsequent capital appreciation, if any, will be the capital appreciation between the previous CASTP date (where CASTP has been processed and transferred) and the current CASTP date.
- 7. In case end date is mentioned but start date is not mentioned, the application will be registered after the expiry of 10 days from the submission of the application for the date of transfer mentioned in the application, provided the minimum number of instalments is met.
- 8. Minimum investment requirement in the target scheme and minimum redemption amount in the source scheme is not applicable for CASTP.
- 9. Investor can register only one CASTP for transfer from a source scheme.

Swing STP:

Swing STP is a facility wherein investor can opt to transfer an amount at regular intervals from source scheme of SBI Mutual Fund (SBIMF) to a target scheme of SBIMF including a feature of reverse transfer from target scheme into the source scheme, in order to achieve the targeted market value on each transfer date in the target scheme. This ensures that the market value on each date of the transfer rises by a specified amount at every frequency irrespective of the market price. For example if investor decides that the value of their investment in the target scheme should appreciate by Rs. 1000 per month, then each month investor will invest only to the extent of the shortfall. If appreciation in the target scheme is higher than the target value then this excess value is reverse transferred to the source scheme. Thus the amount to be transferred will be arrived at on the basis of the difference between the target market value and the actual market value of the holdings in the target scheme on the date of transfer.

Terms & conditions of Swing STP are as follows:

- 1. Source scheme: All open ended schemes (Excluding SBI Magnum Taxgain Scheme and ETF schemes) of SBI Mutual Fund.
- 2. Target scheme: Growth option in all open ended schemes (Excluding SBI Magnum Taxgain Scheme and ETF schemes) of SBI Mutual Fund.
- 3. Frequency: Weekly, Monthly and Quarterly intervals. In case the Fre-

quency is not indicated, Monthly frequency shall be treated as the Default Frequency.

| | shall be as under: | |
|--|--------------------|--|

| Frequency | Dates of Transfers | Default Date |
|--------------------|--|--------------------------|
| Weekly Interval | 1 st , 8 th , 15 th & 22 nd of every month | |
| Monthly Interval | 1 st , 5 th , 10 th , 15 th , 20 th , 25 th & 30 th (In case of February last working day) | 10th of every month |
| Quarterly Interval | 1 st , 5 th , 10 th , 15 th , 20 th , 25 th & 30 th (In case of February last working day) The beginning of the quarter could be any month e.g. January, May, November, etc. | 10th of every quarter |

In case the date of transfer falls on a non-Business Day, the immediate next Business day will be considered for the purpose of determining the applicability of NAV and processing the transaction.

- 5. The minimum amount for the first installment shall be as follows:
 - Weekly & Monthly frequency: Rs. 1,000 and in multiples of Re. 1
 - Quarterly frequency: Rs. 3,000 and in multiples of Re. 1
- 6. Minimum number of installments

4.

- Weekly & Monthly frequency: 12
- Quarterly frequency: 4
- If there is any other financial transaction (purchase / redemption / switch / SIP / DTP etc.) processed in the target scheme/plan/option during the tenure of Swing STP, the Swing STP will be processed as normal STP for the rest of the installments for the fixed amount.
- Amount of transfer: The first Swing STP installment will be processed for the installment amount specified by the investor at the time of enrollment. From the second Swing STP installment onwards, the transfer amount will be derived by the following formula:

(First installment amount X Number of installments including the current installment) – Market Value of the investments through Swing STP in the target scheme/plan/option on the date of transfer.

In case on the STP date, the amount (as specified above) to be transferred is not available in the source scheme/plan/option in the investor's folio, the residual amount will be transferred to the target scheme/plan/ option and Swing STP will be closed.

- 9. Reverse Transfer: On the date of transfer, if the market value of the investments in the target scheme/plan/option through Swing STP is higher than the target market value (first installment amount X number of installments including the current installment), then a reverse transfer will be effected from the target scheme/plan/option to the source scheme/plan/option to the extent of the difference in the amount, in order to arrive at the target market value.
- 10. Top-up option: Investor can choose Swing STP based on fixed amount installment and additionally investor has an option to choose top-up option. Under this, investor can indicate an absolute amount or percentage (in annualized terms) by which each installment amount will be increased. Amount of transfer will be calculated by taking into consideration of the target market value (including top-up amount) and actual market value of the investments in the target scheme.

Amount of transfer: The first Swing STP installment will be processed

for the first installment amount specified by the investor at the time of enrollment. From the second Swing STP installment onwards, **the transfer amount will be derived by the following formula:**

In case Top-up amount mentioned as absolute amount:

Target market value Minus Market Value of the investments through Swing STP in the target scheme/plan/option on the date of transfer.

Target market value = (Target market value at the time of last installment + First installment amount + (Top-up absolute amount X Number of installments excluding the current installment)).

Minimum amount for Top-up (absolute amount):

- Weekly & Monthly frequency: Rs. 50 per installment and in multiples of Re. 1
- Quarterly frequency: Rs. 100 per installment and in multiples of Re.
 1

In case Top-up amount mentioned in percentage:

Target Market Value Minus Market Value of the investments through Swing STP in the target scheme on the date of transfer.

Target Market Value = (Target market value at the time of last installment + First installment amount + (First installment amount X Top-up percentage X Number of installments excluding the current installment/ No. of periods))

No. of periods will be considered as below:

- For weekly frequency 52
- For monthly frequency 12
- For quarterly frequency 4

Minimum percentage for Top-up (percentage option): 12% per annum

- 11. A single STP enrolment Form can be submitted for transfer into one Scheme/Plan/Option only.
- 12. The redemption/switch-out of units allotted in the target scheme shall be processed on First In First Out (FIFO) basis.
- 13. The provision of 'Minimum Redemption Amount' as specified in the Scheme Information Document of the source scheme (target scheme in case of Reverse Transfer) and 'Minimum Purchase Amount' specified in the Scheme Information Document of the target scheme (source scheme in case of Reverse Transfer) will not be applicable for Swing STP.
- The application for enrollment / termination for Swing STP should be submitted at least 10 days before the desired commencement / termination date.
- 15. In case the Start Date is not mentioned, the application will be registered after expiry of 10 days from submission of the application as per the default date i.e. 10th of each month / quarter (or the immediately succeeding Business Day). In case the End Date is not mentioned, the application will be registered for perpetual period.
- 16. Load structure prevalent in source & target schemes (for reverse transfer) at the time of Swing STP registration will be applicable during the tenure of the Swing STP.
- Swing STP will be automatically terminated if balance is not available in the source scheme/plan/option on the date of Swing STP installment processing.
- The Swing STP Facility is available only for units held in Non demat Mode in the source and target schemes.
